

State agency's response must describe the nature of the information requested and the necessity of having such information to determine the consistency of the Federal activity with the management program.

(c) State agencies shall send to the Assistant Administrator a copy of responses which describe disagreements with Federal agency consistency determinations.

§ 930.43 Availability of mediation for disputes concerning proposed activities.

(a) In the event of a serious disagreement between a Federal agency and a State agency regarding the consistency of a proposed Federal activity directly affecting the coastal zone, either party may request the Secretarial mediation services provided for in subpart G.

§ 930.44 Availability of mediation for previously reviewed activities.

(a) Federal and State agencies shall cooperate in their efforts to monitor Federally approved activities in order to make certain that such activities continue to be undertaken in a manner consistent, to the maximum extent practicable, with the State's management program.

(b) The State agency shall request that the Federal agency take appropriate remedial action following a serious disagreement resulting from a State agency's objection to a Federal activity which was: (1) Previously determined to be consistent to the maximum extent practicable with the State's management program, but which the State agency later maintains is being conducted or is having a coastal zone effect substantially different than originally proposed and, as a result, is no longer consistent to the maximum extent practicable with the State's management program, or (2) previously determined not to be a Federal activity directly affecting the coastal zone, but which the State agency later maintains is being conducted or is having a coastal zone effect substantially different than originally proposed and, as a result, the activity directly affects the coastal zone and is not consistent to the maximum extent practicable with the State's manage-

ment program. The State agency's request must include supporting information and a proposal for recommended remedial action.

(c) If, after a reasonable time following a request for remedial action, the State agency still maintains that a serious disagreement exists, either party may request the Secretarial mediation services provided for in subpart G.

Subpart D—Consistency for Activities Requiring a Federal License or Permit

§ 930.50 Objectives.

The provisions of this subpart are provided to assure that Federally licensed or permitted activities affecting the coastal zone are conducted in a manner consistent with approved management programs.

§ 930.51 Federal license or permit.

(a) The term *Federal license or permit* means any authorization, certification, approval, or other form of permission which any Federal agency is empowered to issue to an applicant.

(b) The term also includes the following types of renewals and major amendments which affect the coastal zone:

(1) Renewals and major amendments of Federal license and permit activities not previously reviewed by the State agency;

(2) Renewals and major amendments of Federal license and permit activities previously reviewed by the State agency which are filed after and are subject to management program amendments not in existence at the time of original State agency review; and

(3) Renewals and major amendments of Federal license and permit activities previously reviewed by the State agency which will cause coastal zone effects substantially different than those originally reviewed by the State agency.

§ 930.52 Applicant.

The term *applicant* means any individual, public or private corporation, partnership, association, or other entity organized or existing under the
